

WORK EXPERIENCE

June 2012-present

Motion Graphics Designer & Video Producer, AVL Digital (Disc Makers & BookBaby)

Full-time position in which the responsibilities include: animation, video production, interactive design, illustration, print and digital materials, YouTube & blog management, UX design, and product photography.

- Conceptualize and execute branding campaigns implemented across print, web, and social media platforms. This includes animating video ads, coding HTML responsive emails and landing pages on websites, illustrating infographics, designing conference branding, testing usability/communication, etc.
- Create and manage all aspects of company's video marketing materials, including YouTube ad campaigns, animated loops for social media, How-To screencast tutorials, and client testimonials.
- Optimized the YouTube channel, which increased watch times/shares and surpassed 1K subscribers.
- Filmed the opening keynote, interviews, and b-roll at the 2017 Independent Author's Conference. Also designed the event's keynote powerpoint, badges, speaker boxes, and printed panel signage.
- Illustrated infographic series that improved brand awareness and data visualization for users.
- Created instructional tutorial videos for customer service that aided customers (decreased time on phone).
- Tested designs and animated GIFs that lead to increased email open rates and campaign performance.
- Converted blogs to responsive templates to improve user experience; SEO manager said the organic traffic increased 10-fold in one year.
- Collaborate daily with marketing specialists, software engineers, a product manager, and SEO coordinator.
- Teach lessons as guest professor to collegiate level students. Also manage seasonal interns.
